

Namaste! Maine aapka message padha aur samjha. Mujhe aapki request ke baare mein jaankari dene mein khushi hogi.

Aapne kaha ki kuchh Hindi ka text hai jise aap Roman script mein translate karna chahte hain. Lekin aapne abhi tak mujhe voh actual Hindi text nahi diya hai. Jab aap mujhe voh Hindi ka text denge, main use Hindi ki Roman lipi mein translate kar doonga.

Aapne yeh bhi kaha hai ki uss text ka koi bhi hissa English mein nahi hona chahiye kyunki aap English nahi samajhte. Toh main poori koshish karoonga ki saara text Hindi ke Roman akshar mein hi likha jaaye aur usme koi English shabd na ho.

Jab aapke paas voh Hindi ka text taiyaar ho jise aap translate karvana chahte hain, to aap use mere saath zaroor share kijiye. Main aapki madad karne ke liye taiyaar hoon. Dhanyavaad!
