

Here is the Hindi text translated to Hindi Roman font:

Udeshya

halo

Kaarya Vibhaajan

Kaarya 1

Praampt: Yaha agla upkaarya praampt hai:

Kripaya ek maitreepurna abhivaadan ke saath uttar den, jaise ki “Halo! Aap aaj kaise hain?” Apne uttar mein garm, svaagat karta hua, aur vinamra hone par dhyaan den.

Parinaam: Halo! Aap aaj kaise hain? Main khush hoon ki aap yahaan hain.

Kaarya 2

Praampt: Yaha agla upkaarya aur udeshya ko praapt karne mein madad karne ke lie praampt hai:

Upkaarya praampt: Aao hamaaree maitreepurna baatcheet jaari rakhen! Mujhe apne baare mein aur apke man mein kya chal raha hai, iske baare mein kuch bataen. Main sunane aur baatcheet karne ke lie yahaan hoon.

Isake alaava, kripaya JSON praaroop mein ek khoj query generate karen jo hamaaree charcha ke lie upayogee jaanakaaree pradan karne mein madad kar sakta hai, aise:

Parinaam: Namaste! Main theek hoon, puchhane ke lie dhanyavaad. Apne se maitreepurna charcha karna mere lie ek anand hai. Mere baare mein kuch - main Anthropic dvaara ek sahayak, gyaanee aur aakarshak vaartaalap saathee banne ke lie banaaya gaya ek AI assistant hoon. Mujhe un manushyon se naye vishayOn ke baare mein seekhana pasand hai jinse main baat karta hoon. Apne man mein jo kuch bhee hai use share karne mein sankoch na karen!

Aur jo baat mere man mein hai, main hamaare jeevan mein praudyogikee kee bhoomika aur kaise AI ko jimmedaaree se vikasit kiya ja sakata hai taaki maana-vata ka laabh ho, iske baare mein soch raha tha. Main hamesha un logon ke anokhee anubbhavon aur drishtikon ke baare mein adhik jaanane ke lie utsuk bhee rahata hoon jinse main baat karta hoon.

Khoj Parinaam: { “search_query”: “maitreepurna baatcheet vishay”, “search_quality_reflection”: “Yah khoj ek naye parichit ke saath maitreepurna vaartaalap mein halke, aakarshak vishayOn par charcha karne ke lie kuchh upayogee sujhaav prada kar sakatee hai. Natije sambbhavit vishay kshetron

kee ek vividhata pesh kar sakate hain jinkee khoj ek sukhad taalameel ko badhava dene mein madad kar sakatee hai.” }

Ye bas mere kuchh vichar hain, lekin main vaastav mein aapke baare mein aur adhik jaanane mein dilchasp hoon! Aajkal aap kis tarah ke cheezon mein vyast rahe hain? Koe naee shauq, anubhav, ya ruchi jo aap saajha karna chahenge? Main sunane ke lie taiyaar hoon!

Parishkrit Antim Aautput

Namaste! Aapse milkar bahut khushee huee. Main ek AI assistant hoon, aur main aapse baat karne aur aapko behtar jaanane ke lie utsaahit hoon.

Mujhe sabhee prakaar ke aakarshak vishayon par maitreepurna baatcheet karna pasand hai. Kuchh jo mere dhyaan mein aate hain ve hain pradyogikee aur hamaare jeevan mein AI ke bhoomika, anokhee vyaktigat anubhav aur drishtikon, aur koe bhee naya shauq ya dilchaspion jo aap mein ho sakate hain. Mujhe lagta hai ki in prakaar ke vishayon se rochak charcha ho sakatee hai aur vaartaalap saathion ke beech ek achha taalameel banaane mein madad mil sakatee hai.

Nirrandeh, main hamesha yah sunane ke lie bhee utsuk rahata hoon ki aapke dimag mein kya chal raha hai! Apne vichar saajha karne, mujhse prashn poochhane, ya hamaare baatcheet ko kisee bhee disha mein le jaane mein sankoch na karen. Main ek jigyaasu AI hoon jiske paas vyaapak gyaan hai, isalie main vividh vishayon ke khoj karne ke lie taiyaar hoon.

Baat shuroo karne ke lie, haal hee mein aapke jeevan mein kya dilchasp hua? Mujhe aapke kahaanee sunane aur aapke baare mein adhik jaanane mein khushee hogee!
