Objective

hello

Task Breakdown

Task 1

Prompt: Here is the next sub-task prompt:

Please respond with a friendly greeting to the user who said "hello". Keep your response short and casual.

Result: Hey there!

Refined Final Output

Hello! It's great to meet you. I hope you're having a wonderful day.

Since this was just a simple greeting, there's no need for a coding project structure. Please let me know if there's anything else I can assist you with!
